

## NINE SIMPLE PROCESSES TO PROTECT YOUR PAYROLL FROM FRAUD

- Communicate regularly with the whole business about common scams.
- Provide a way for your team to contact you if they suspect fraud.
- Ensure strong passwords are used across the business and regularly changed.
- Verify all personal and payroll information on a routine basis.
- Maintain processes for managing incidents of fraud so you can respond swiftly and effectively.
- Establish a secure portal for employees to log and send payroll change requests.
- Undertake regular security testing; engage a third-party to test your processes and responses.
- Promote an organisational policy on dishonest behaviour with a clear reporting procedure.
- Implement a Whistleblower Policy outlining staff responsibilities and protection for reporting suspected fraud.
